2009 Subscriptions and Fees

Annual Subscriptions:

| | |
|--------|--------|
| Senior | £65.00 |
| Colt | £40.00 |
| Social | £5.00 |

Match Fees:

| | |
|-----------------------------|--------------------------|
| Senior | £7.00 |
| Colt | £2.00 |
| Colt summer training / nets | Included in annual subs. |
| Colt in a senior XI | £3.50 |

Junior fees are half the above senior rates. Juniors are considered to be those in full time education.

Anyone who has difficulty paying should speak to officers of the club as it may be possible to arrange reduced fees or to pay in instalments.

N.B. Full, Junior, Colts or Social membership automatically bestows social membership on their immediate family (i.e. spouses, partners, children, parents and siblings). This should not, however, deter anyone from joining as a social member in their own right if they so wish.

Annual subscriptions are payable once the rate has been agreed at the AGM and are due by the 1st May. Any member who has not paid by the 30th June will be deemed to be in arrears and his membership terminated. Any player who is in financial arrears to the club, for whatever reason, will be deemed by the selection committee to be unavailable for selection until those arrears are cleared.

N.B. The names of those people in arrears will be posted on the club's internal notice boards and website from the 1st July.

Season 2009

Welcome to the 2009 season, I wish you all an enjoyable and successful one.

Last season we had both Paul Dickson and Steven Adkins from our Tasmanian sister club, Latrobe, playing for us and their input helped the 1st eleven gain promotion. But the success is owed to the whole team and David Carroll is to be congratulated on his leadership. Whilst not pushing for honours, the 2nd and 3rd elevens certainly enjoyed their cricket. The colt's section continues to flourish and is producing some very useful players.

The Dinner was a great success and thanks are due to ladies who worked so hard to make the evening so enjoyable. Thanks are also due to our Chairman for the considerable part he played.

This season marks a remarkable event in the history of the club. Bill Tanner reaches fifty years of playing, yes playing, for Frimley. I have been fortunate to have played alongside Bill for a great many of those fifty years and he is the finest bowler I have seen don the Frimley colours. Not only does Bill deserve the club's gratitude for his on-field contribution but his committee work has proved invaluable and we are truly indebted to him. Not only will we, no doubt, raise several glasses to Bill throughout the season but this year's President's Di Try game will be dedicated to Bill to help celebrate his magnificent landmark. The game takes place on Thursday 23rd July, all are welcome and this year I hope for an even bigger turn out to share a beer with Bill.

Finally, I take this opportunity to extend a warm welcome to visiting teams, officials and guests to Chobham Road.

Jack Cox

Frimley C.C. President

Frimley Cricket Club Colt's Section

The 2008 colt's season was once again a massive success and this time around a number of our junior section made the step up to play senior cricket and in so doing have made the club extremely proud. The foundations that were put in place in 2007 were strengthened by a committed team of coaches, club members and parents. Many thanks to all those that worked tirelessly throughout the season and the winter to ensure that our kids would be able to continue enjoying their cricket during 2008.

Without question we saw a huge improvement across all our age groups and the continued strong numbers at training during the season highlighted how well we are set for the future. A special mention should go to two players that for different reasons stood out last year. Alex Cave played a number of senior 1st XI games and topped his strong season off with a maiden century in senior cricket and he is believed to be the youngest player to do so in our history. Meanwhile Atharva Kavi was selected to play for Surrey in his age group throughout the season and equipped himself well at that level. Congratulations to you both!

2009 brings with it some more minor changes and exciting challenges. Firstly, our youngest group of players make the step up from playing cricket with "incrediballs" to using small cricket balls as they move from Under 9's to Under 10's and secondly, more of our age groups will be run by nominated team managers allowing the coaches to concentrate on helping the colts to improve and enjoy their cricket experience.

The more senior players and parents that we can call on to help with coaching and matches the better. As the number of colts grows so too must the team that enables the colts section run smoothly. Thanks to all those who have committed their time and efforts so far. Anyone else, be they existing players or parents of the new colts, that are interested in working with the colts need to complete a Criminal Records Bureau (CRB) form which will be available in the pavilion once the season is under way.

Good luck to all the colts for the coming season and lets hope for a successful 2009.

Nick Cornell

Frimley C.C. Colt's Coach

Selection policy

All players should endeavour to make their availability known for the following weekend at the end of each match.

All availability **MUST** be with the selection committee prior to 7pm on Tuesday. Selection meetings will be held every Tuesday at 8pm at the clubhouse.

Having been selected, any player unable to play **MUST** notify their team captain as early as possible.

The policy of the club is that the 1st XI shall be selected from all available players to give the strongest possible side. The 2nd XI will then be selected from all players (excluding those selected in the 1st XI) and the 3rd XI will be selected from all remaining players.

Only fully paid up members will be considered for selection by the selection committee (see Subscriptions and Fees for details). However, the payment of an annual subscription does not, of itself, guarantee selection.

Frimley C.C. 1863 Match Report

The following match report is taken from The Sheldrake News from August 22nd 1863.

“On Monday last the return match was played on Frimley Green between eleven gentlemen of Frimley and eleven of Cambridge Town, which resulted in an easy victory for the latter, winning with five wickets to go down. A sumptuous luncheon with the usual *et ceteras* essential to the support of the stamina of the cricketer was provided in a spacious marquee, by Mr. Wright of The Cricketer's Inn, Frimley, to which ample justice was done. During the day a large concourse of visitors arrived on the ground, both equestrian, pedestrian and a goodly sprinkle of the fair sex, whose ruddy cheeks and merry laugh proclaimed them the true English village belles, and who heartily joined in the plaudits, which were loud and long when a well hit ball or cleverly bowled wicket was obtained; and to add to the amusements of the day an itinerant Zingari vendor of cocoa nuts and "dolls", upon the principle of three throws a penny, suddenly appeared upon the scene, who immediately opened shop and was soon in receipt of pence. On the termination of the match a move was made to the above mentioned Inn, where a first rate dinner was provided, and when the cloth was removed good will and harmony became the order of the evening.”

It seems that in true Frimley style we lost but had a good evening anyway!

Frimley C.C. Records

The following pages contain statistics from all the known Frimley matches since 1954 (e. & o.e.) Throughout the season they are, where possible, updated on the club's website, www.frimleycc.co.uk

Our thanks to Colin Alcock for the vast amount of hard work he does in updating and maintaining the records.

If anyone knows the whereabouts of any Frimley scorebooks, *whether they have been included in the records or not*, can they please pass them on to either Colin Alcock or Neil Pretty. We are attempting to gather as many past scorebooks together as possible to provide a record of the club for future generations.

Spirit of Cricket: Preamble to the Laws

Cricket is a game that owes much of its unique appeal to the fact that it should be played not only within its Laws but also within the Spirit of the Game. Any action which is seen to abuse this spirit causes injury to the game itself. The major responsibility for ensuring the spirit of fair play rests with the captains.

1. There are two Laws which place responsibility for the team's conduct firmly on the captain.

Responsibility of captains

The captains are responsible at all times for ensuring that play is conducted within the Spirit of the Game as well as within the Laws.

Player's conduct

In the event of a player failing to comply with instructions by an umpire, or criticising by word or action the decision of an umpire, or showing dissent, or generally behaving in a manner which might bring the game into disrepute, the umpire concerned shall in the first place report the matter to the other umpire and to the player's captain, and instruct the latter to take action.

Spirit of Cricket: Preamble to the Laws cont.

2. Fair and unfair play

According to the Laws the umpires are the sole judges of fair and unfair play.

The umpires may intervene at any time and it is the responsibility of the captain to take action where required.

3. The umpires are authorised to intervene in cases of:

- Time wasting
- Damaging the pitch
- Dangerous or unfair bowling
- Tampering with the ball
- Any other action that they consider to be unfair

4. The Spirit of the Game involves RESPECT for:

- Your opponents
- Your own captain
- The roles of the umpires
- The game's traditional values

5. It is against the Spirit of the Game:

- To dispute an umpire's decision by word, action or gesture
- To direct abusive language towards an opponent or umpire
- To indulge in cheating or any sharp practice, for instance:
 - (a) to appeal knowing that the batsman is not out
 - (b) to advance towards an umpire in an aggressive manner when appealing
 - (c) to seek to distract an opponent either verbally or by harassment with persistent clapping or unnecessary noise under the guise of enthusiasm and motivation of one's own side

6. Violence

There is no place for any act of violence on the field of play.

7. Players

Captains and umpires together set the tone for the conduct of a cricket match. Every player is expected to make an important contribution towards this.
